# Marzetti Frozen Pasta

## Precooked Rotini

Rotini, which means “twists” in Italian, are short, screw-like noodles made with enriched semolina flour. Starting with the original frozen egg noodle, Marzetti Frozen Pasta® now offers a wide variety of precooked pastas that save time and labor in foodservice kitchens.

### Product Specs

**Product** For best results, add frozen pasta to boiling water, stirring with fork to separate, for 10 to 30 seconds. Or run under hot tap water until thawed. Drain. If using in cold salad follow with cold water rinse. Or use frozen precooked pasta directly in a casserole recipe in place of other cooked pasta. Adjust bake time to allow for frozen pasta
