# New York Bakery 6" Mini Breadsticks, 11 Lb Bag

Hearth baked in an elongated shape with a crispy crust and soft texture inside, New York Bakery® Mini Breadsticks are perfectly petite and combine European Old World flavor with modern convenience. The New York Bakery brand began as a small family bakery in Cleveland, OH over 50 years ago. The Penn family specialized in baking the upscale, textured, hearth baked breads preferred in Europe. Over time, the family developed a delicious frozen garlic bread and invented the widely favorite New York Bakery Garlic Toast and Breadsticks.
