## New York Bakery 8" Cheese and Garlic Breadstick, 16 Lb Bag

Hearth baked in an elongated shape with a crispy crust and soft texture inside, New York Bakery® Cheese & Garlic Breadsticks combine two favorite flavors for an irresistible finish. The New York Bakery brand began as a small family bakery in Cleveland, OH over 50 years ago. The Penn family specialized in baking the upscale, textured, hearth baked breads preferred in Europe. Over time, the family developed a delicious frozen garlic bread and invented the widely favorite New York Bakery Garlic Toast and Breadsticks.
